

# Pest Share™

## Why Pay For Another Expensive Pest Control Treatment?

Good news! **PMI Experience** has partnered with Pest Share to end the frustration of overpaying for expensive pest control! This exciting new benefit takes care of pests on demand when needed – at a fraction of the cost!

As a valued resident, you are currently enrolled in our **Pro package**. Enjoy peace of mind knowing you're protected from a wide range of pests!

**Want to explore other options?** Downgrade packages with less coverage are available, but staying with the best package ensures maximum protection for your home. Don't miss out on this unbeatable benefit!
